“Jet A” Fuel Prices and Prist Availability

The HHI Heliport sells “Jet A” fuel exclusively. Fuel prices will be posted from time to time as fluctuations in our delivered price occur. Jet A at the HHI Heliport is available with Prist (\$.05/gal surcharge) or without. Please advise our operations staff whether you prefer the Prist additive or not, prior to fueling.

Heliport Ramp Fees/Waivers for Fuel Uplift

Heliport ramp fees are assessed based on helicopter weight, and categorized as:

Light	Medium	Heavy
up to 6,000lbs	6,000 - 12,000lbs	12,000lbs and over
\$60	\$90	\$120

Heliport ramp and parking fees are waived for Light helicopters uplifting 30 gallons of fuel per landing; 40 gallons of fuel per landing for Medium helicopters, and 60 gallons of fuel for Heavy helicopters. Heliport ramp and parking fees are subject to change, but any changes will be posted in the month prior to the effective date for billing purposes.

Parking Fees:

After landing, parking is free for the first 3 hours. After 3 hours, parking fees are assessed based on helicopter weight – Light \$30 per hour; Medium \$50 per hour and Heavy \$70 per hour. These fees are waived if the minimum fuel uplift is met. Scheduled parking is available upon request to our operations office staff, by calling (973) 813-2300.

Updates to all information can be found at the HHI Heliport, on the ERHC website for members or on the HHI Heliport website, www.hhiheliport.com.
