

499 East 34th Street and FDR Drive, New York, NY 10016

Atlantic Aviation Metroport will implement a new Landing fee rate sheet effective January 15, 2023. Please note that Only the Landing fees are being increased, no parking or other fees are increased. It has been three years since we had any fee increase due to our construction renovation and COVID. We are taking this action as Atlantic Aviation has made significant improvements to the facility over the past two years to make your travel experience more comfortable, safe and pleasurable. New perimeter lighting, ramp overlay, fuel system upgrade and full terminal renovation are some of the few projects completed since 2019. Our commitment to the City of New York and our aviation clients are our first priority in safety and service and we appreciate your continued support.

The landing fee schedule is posted prior to the month of effective date for billing purposes, a notice is also posted on the ERHC webpage for your reference.

*Metroport hours of operation are Monday through Friday, **closed weekends.***

*The following holidays the **Metroport is Closed:***

Thanksgiving Day, Christmas Day and New Years Day.
